Brief Introduction of the Company and its Operations

Headquarters : Jaipur, India

AHALTS : Our Clients' Business Success is Our Goal

Business Overview:

We operate with innovation in six major divisions:

AI and Micro service Management Platform, HRMS (Human Resource Management System), Action and Business Management Platform, Knowledge & Learning Management Platform, Total Workforce Management (TWM), Services & Productivity Solutions

“ **AT AHALTS,**

we envision a future where technology and human resources seamlessly converge to redefine business management. Through collaboration with our partners and the dedication of our team, we aim to deliver unparalleled, innovative solutions that justify a premium investment. Our goal is to set new standards in HR technology, offering unmatched value and empowering businesses worldwide to excel in an evolving marketplace.

”

ARUN PURI

FOUNDER & CEO

WHAT DIFFERENTIATE US -

Microservices: Issues with data control and integration, integrated AI and collaboration

AHALTS Solution: Multitenant architecture with hybrid data control, virtual identity, and robust MFA, Face Recognition and AI

HR Solutions: Created in silos, leading to inefficiencies.

AHALTS Solution: Integrated HRMS built on AI and microservices, automating most HR tasks.

Strategic Talent: SMEs and large organizations struggle with strategic alignment and efficiency.

AHALTS Solution: RDRMM-based platform providing strategic guidance and efficient communication.

LMS Platforms: Inefficient and costly in high attrition environments.

AHALTS Solution: Adaptive LMS linking training to job-specific tasks, minimizing recruitment-to-floor time.
